

# MISSOURI FCCLA IN ACTION

## SPOTLIGHT

*Kristie Green*

Kristie is an FCCLA parent and honorary member. Leslie Morgan, adviser at Campbell High School, says, "Mrs. Green is very much an asset to Campbell FCCLA. She encourages the members, officers, and the adviser to do his/her best. FCCLA would not be able to accomplish what they have this year without her. She has driven many miles taking the officers, members, and LifeSmart team to compete in Columbus Ohio and conferences. She promotes FCCLA with to the school board and the community. Mrs. Green organizes fundraisers and sends out information to the community to inform what FCCLA is doing next."

Thank you, Kristie, for your dedication to FCCLA!

## LEARN

In partnership with Missouri FCCLA, the Missouri Department of Elementary and Secondary Education, Missouri State University, and University of Central Missouri will host a series of educational opportunities for FCS teachers and FCCLA advisers this school year. Topics will range from FCCLA and STAR Events to Canva to FCS coursework topics. Information will be released via the FCS List Serv as workshops get closer and registrations open, so be on the lookout!

The first two workshops in the series are FCCLA-focused. Missouri State University will host FCCLA Basics, focusing on basic FCCLA information, membership, organizing your chapter, working with officers, and exploring FCCLA programs. It's a great option for new and returning teachers and advisers! It is August 11 and will be offered both in-person and virtually via Zoom. See information [here](#) to register.
