Active church member

Situational Experience

WORK EFFECTIVELY WITH OTHERS

I have led many officer meetings and events at both the chapter and regional levels. Listening to others opinions and ideas is very important to me. My goal is to always make sure that everyone has a voice and is heard. For example, my chapter has a lot of strong personalities. When leading chapter events, I encourage members to have an open mind, be willing to compromise, listen to everyone's ideas and speak in a respectful manner. I feel it is important for members to feel like they have a voice in the decisions our chapter makes and most of all members need to be willing to work as a team.

DEPENDABLE TO FULFILL OBLIGATIONS

I have always been involved in many activities and clubs, so time management has always been a big part of my life. Any event that I am supposed to be at goes into my detailed planner. I have planned and attended many activities and events with FCCLA. I dislike not being on time. When I was younger and would fail to fulfill my obligations, I would feel like I disappointed others. Since then, it is always my goal to be reliable and follow through with my commitments.

LEAD SMALL AND LARGE GROUPS

As our Chapter and Region President, I have demonstrated my ability to lead by creating the agendas for meetings at both levels. Through the review of the minutes, I was able to determine what needed to be discussed at the upcoming meeting concerning old business, new business, and officer reports. I also had to brainstorm how I would motivate my officers and members at both levels. I feel this has made me a better listener as well as a more effective leader. Though these experiences may have been somewhat similar, they also had their differences. I demonstrated the ability to lead small groups at chapter and region planning meetings. In the small groups, I opened and closed the meetings, ensured everyone was on task, and encouraged participation from everyone. During the large groups I led chapter activities, the chapter banquet, and the fall regional meeting at Northwest Missouri State University. Many chapters attend the regional meeting. As president, I had to keep the meeting flowing, and people involved with the discussions and activities that were taking place. In all of these experiences, I have had the opportunity to work with those who have a strong personality to those who are much more quiet and reserved. These experiences have provided insight on how to work with many different types of personalities and to listen to all ideas, which made me a better leader.

BRIEFLY DESCRIBE ONE POWER OF ONE PROJECT COMPLETED OR CURRENTLY BEING WORKED TOWARD.

I completed the A Better You power of one unit, which consisted of a month-long journal where I kept track of my spending. Everyday during my 6th hour class I wrote an update about how much money I spent the day prior. I had a limit of \$10 a day to prevent me from over spending. I started with \$350 in my bank account but after the whole month I still have \$320 left. I enjoyed this project because it challenged me to not spend much money due to me being very competitive and wanting to exceed my goals.

- 3 time State Princess of America titleholder
- Salvation Army Bell ringer
- Park Cleanup Volunteer
- Autism Sensory Room Project volunteer through Rotary

Situational Experience

WORK EFFECTIVELY WITH OTHERS

As a Missouri state officer I have had multiple opportunities to work effectively with others whether it was leading workshops at Fall Leadership Conference, attending state officer training at the state and national levels, and networking with my connections national networking group. As the Missouri State 1st Vice President, I have multiple opportunities where I worked with my fellow state and regional officer team, multiple advisors and have teamed up to plan multiple events.

DEPENDABLE TO FULFILL OBLIGATIONS

As the Missouri State 1st Vice President, I have attended all meetings and events that I have been required to participate in. While I do participate in several school activities and sports, FCCLA is my top priority and comes first on my list of obligations. For example, this past summer at the State Officer Summer Planning Meeting, one of the officers in my committee was absent. This led me to step up and take charge to make sure all committee tasks were completed. To be dependable at the chapter, regional, and state level I make it my best to always stay on time. As a multi sport student athlete I have learned a lot about sacrifices and decision making when it comes to priorities. This is shown when I have conflicts between events and have to chose what is best for me to attend.

LEAD SMALL AND LARGE GROUPS

As a member and officer in FCCLA, I have led multiple officer planning meetings, led multiple committees as a state

officer, and led workshops at both the regional and state levels. At our Region 2 Summer Planning Meeting, I worked with another officer to create a presentation about what each officer does, and at the state level I worked with another officer to create a presentation that taught the members how to effectively recruit members. I always make sure that each officer and member was heard, and that they felt comfortable sharing their ideas.

BRIEFLY DESCRIBE ONE POWER OF ONE PROJECT COMPLETED OR CURRENTLY BEING WORKED TOWARD.

Speak Out for FCCLA. For this unit of power of one, a FCCLA member promotes and speaks to others about FCCLA. I completed this by going to younger classes around my school district and telling them what FCCLA is and all the fun experiences that come with joining the environment and organization. A few of my other chapter officers and I, traveled to another school to educate them on STAR events. We showed them all the STAR events you can compete in and the steps needed to take in order to complete one and have a successful competition.

Activities and Honors

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I have held leadership positions as chapter Vice-President and Vice President of Public Relations. Serving as Vice-President I assisted the president in any business needed and stepped up to any role my chapter and advisor saw fit. I am present at all chapter meetings and participate in all activities. I help my chapter members have a fun time with games and activities at meetings and get them to be involved in as much as possible. I participate in many chapter service projects and community service projects such as our annual Breakfast with Santa, our community pancake breakfast with fun games and a visit with Santa. I have volunteered at the local food pantry. I have helped promote traffic safety in my community with seat belt checks at my school and providing students with education and the importance of taking proper traffic safety precautions.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I have helped plan and implement our Regional Meetings for the past 2 years. I have attended and led Regional discussions and meetings. I have participated as a voting delegate at the Regional level as well. I have competed in Star Events on the Regional level. I have given state reports and updates after completing state discussions as a state officer.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

I competed in Star events my freshman and sophomore years of high school. I have attended the 2022 and 2023 State Leadership Conference. During the 2023 State Leadership Conference I ran for a state officer position and was elected to serve as the 2023-2024 Missouri State President. I attended the National Leadership Conference in Denver, Colorado and led our Missouri State Meeting as president. I presented the Missouri state flag in the parade of flags during the opening general session.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I demonstrate my interest in the family and consumer sciences program by being involved in everything I can. I take a FACS class every chance I get when it doesn't conflict with my schedule. I am the first to sign up for volunteer work when anyone reaches out needing help. I enjoy holding the leadership role and showing others how they can benefit from FCCLA and improve their skills more and more each day.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

Softball, Track, FCCLA, FFA, FBLA, FCA, Environmental Club, food pantry volunteer, Ham Hike, Breakfast with Santa, Ray of Hope, Lifeguard at local pool, Student Council.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

I have demonstrated working effectively with others by meeting with my office routine once a month and discussing all the business that will be going on during the month and coming up with plans and a schedule to make everything run smoothly for the majority of everyone. I am the main organizer for a chapter and community wide service project Breakfast with Santa. This event we do every year to get the community together and spend a fun time with games activities and of course Santa. I work with my other officers to talk to others and advocate for FCCLA and create presentations for our peers to educate them on how to get involved and the benefits of the organization. I have led state meetings as president and worked with the other state executive council members to organize and make state plans effective for members of the state.

DEPENDABLE TO FULFILL OBLIGATIONS

I have demonstrated how I can be dependent upon to fulfill obligations by always doing what I can to step into an empty role. I am present at all chapter meetings, regional meetings, and state meetings and activities. I make sure to plan ahead and use my time management skills to make sure my schedule includes all responsibilities as a chapter member and officer, regional officer, and state officer, as well as all other activities I am involved in. I am willing to volunteer whenever help is needed and preside over all chapter business, regional business and state business.

LEAD SMALL AND LARGE GROUPS

I am able to demonstrate leading small group discussions by educating students at my school and even other schools about STAR Events. A few of my other chapter members and I traveled to a school in our area to inform them what STAR events are and how they can get started with them. We help these students pick out STAR events they might be interested in and show them all the requirements they needed to meet in order to compete with their events go to some of our middle school study hall classes and present to them I slideshow of my experiences and why I recommend joining FCCLA and all the joys that come with the involvement. I have led regional and state discussions as well by presenting my opinions and working with all my other council members to make effective decisions for everyone.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

In our chapter, I am the President, and have been for two years now! I have done 2 national programs! One was FACTS where my partner and I led a seat belt check in our community, led assemblies, spread awareness and much more. My other national program was Community Service where my partner and I put up a giving tree. In our community, there was a family in need. Last Christmas people bought gifts for the family and donated them to us. Some gave us money to shop with for the family as well. Our chapter as a whole got together to wrap gifts, and then give them to the family. These are just a few things I have done at the chapter level. To continue, I am also the manager of our coffee shop!

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

Each year, I attend the region 4 kick-offs. Here, being our region's state liaison, I have spoken at the past meeting. I have also contributed and participated in both the food drive and clothing drive for our regional community service! I also attend the regional officer meetings! Each of my STAR events have made it past the regional level as well!

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

State wise, I am currently the Missouri State VP of State Programs! I speak at conferences, attend officer meetings, and help with upcoming conferences! Helping includes assisting in planning events, relaying my ideas, and more! My national programs have made it to the state level as well! Last year, In Denver, Colorado, I attended the National Leadership conference. We also use national FCCLA days for FCCLA week!

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

My contribution includes making, and feeding, our board of education. At Christmas time, with my partner, we have been able to bring the community together, raise money, and give gifts to a family in need of a good Christmas. Weekly, I am the manager of our coffee shop, in which we use the money we get to financially support our trips! I have done these things and so much more to contribute to the FCS in our school!

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

Being a very involved student in my district, I hold leadership positions in 2 of the 3 other clubs that I participate in other than FCCLA. In Student Council, I am our chapter Vice President. In FCA, I am the leader of our group. I am also a member of NHS! I am our cheer team's cheer captain as well! Monthly, I love to volunteer at our local food bank! Outside of school, I am my youth group's lead singer. Weekly, we get together and lead worship for our youth group!

Situational Experience

WORK EFFECTIVELY WITH OTHERS

In student council, I work well with others by planning events for the school. One example of that would be pep assemblies for homecoming week. During homecoming week, we plan daily pep assemblies where grade levels have chances to gain points towards the spirit stick by competing in fun games! On my committee, I am the chairman. One of us plans the games, while another is contacting coaches, and so forth. By the time that week comes around, homecoming week is fun, and low stress for everyone!

DEPENDABLE TO FULFILL OBLIGATIONS

One way that I am dependable to fulfill obligations is by never failing to show up to an event or a meeting. In my 3 years being a part of all of these clubs, I have not missed a single meeting, community service event, assembly, etc. I am not a quitter. If I am committed to something, expect me to be there at all times!

LEAD SMALL AND LARGE GROUPS

In most of my clubs, student council specifically, I lead both large and small groups. In student council, I lead member meetings, and committee meetings as well. In this club, we break up into committees to execute plans faster. Right now, the committee that I am on is working on our wreath fundraiser! We are in the process of calling different companies to gain sponsorship! We meet during 8th hours, and our free times, to accomplish this task. In our student council member meetings, I help lead the meeting as a whole. We talk about upcoming events, things that we (officers) would like to see happen by the next meeting, and ideas of things that we could possibly do as a group. As the president, I also lead FCCLA meetings. We have about the same conversation at student council, except we also have a bonding experience each meeting! Sometimes it is a game, while others, we make something together!

BRIEFLY DESCRIBE ONE POWER OF ONE PROJECT COMPLETED OR CURRENTLY BEING WORKED TOWARD.

For my "A Better You" power of one project, I emphasized my academics. I made a goal to dedicate 2 hours of my time after school to working on my homework for my classes, and when I didn't have 2 hours of homework, reading or doing something else educational instead. I also made plans to be more active in my teacher's lessons- including taking notes and asking questions- to help myself have a better understanding of the material. I saw a great improvement in not only my understanding of the lessons but also in the grades on my assignments.

Activities and Honors

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

President of my high school's FCCLA chapter for the past 2 years, including the inaugural year. Throughout my time as President, I helped build FCCLA as a prominent club in my school through recruitment my peers, getting involved in other school activities to represent FCCLA (face painting, Trick or Treat Street, candy grams), and establishing new fundraisers to give back to our community. I have continued to recruit new members, as well as bringing back returning ones, by ensuring that I am creating a fun, healthy, and purpose-driven environment for everyone involved.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

Last year I received Gold at my first STAR event (Focus on Children). This year, I have leveraged my experience to serve as a coach and guide to those planning to compete from my chapter at Regionals. I also frequently connect with other chapters in my region to collaborate and share how to expand FCCLA in the overall region.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

Last year, I received Gold at the State level to advance on to Nationals for my STAR event. At the State and National conferences I had the pleasure of networking with members from all around the state of Missouri and throughout the nation. During Nationals, I met state officers from multiple states and this exposure really sparked my interest in state leadership.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I am incredibly grateful to have such a strong FCS program and class offerings in my school. I have taken both levels of Child Development and intend to come back to cadet a class next year and further my knowledge on child development from a new perspective (our cadet program is for high school students who have completed courses and serve as teacher's assistants). Along with my participation in FCS classes, I frequently encourage my peers to take an FCS class, even if they do not have an interest in joining FCCLA. I believe FCS education is something that everyone should have exposure to - whether that be cooking, sewing, or child development, FCS can be applied to our everyday lives and enhance our preparation for life during, and after, high school.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

For the last two years, I have been a local titleholder in the Miss America organization. The Miss America organization is the leading scholarship provider for women in America. With this title, I have the opportunity to volunteer and contribute to my community in a variety of ways, spread the message of the organization, and share the importance of mental health through my personal community service initiative, "Mental Health Mindest."

Mental Health Mindset focuses on the importance of starting mental health education with school-age children and continuing throughout life. I have written and self-illustrated a book targeted to 6-8-year-olds, as well as having developed a curriculum to use in classrooms where I read my book. This is a perfect way to leverage what I have learned through my FCS courses.

I am also very involved in other after-school activities and athletics. I am currently the Vice President of Membership for my school's Future Business Leaders of America (FBLA) chapter. I play both high school varsity and club volleyball. Through sports, I lead the team not just as a Captain, but also as someone that my teammates can turn to when they need an energy boost - receiving recognition awards for both sportsmanship and leadership. I also serve on our school's "Cat's Crew" which supports freshmen acclimating to the high school environment, starting with orientation and continuing throughout the school year.

Through all of these activities, I have logged over 75 community service hours in the past year. I pride myself in helping others and creating a better community for everyone.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

Being a leader requires you to be able to communicate well with others and work together towards a common goal. I have frequent meetings with my other chapter officers to plan events and ensure that everything is running smoothly. Through active listening, communication, critical thinking, and problem-solving, I ensure that all our local chapter officers have a meaningful way to contribute their skills towards - whether it is an individual goal or a group goal - I love helping others find a way to help our chapter excel. An example of this would be last year when we hosted a Valentine's Day Candy Gram fundraiser. The officer team came together to ensure we had every detail planned out, and each officer had their own duties to fulfill to make the event successful - this collaboration ensured no one individual was taking on too much. Due to this planning and teamwork, our event ran smoothly and was a very effective way to combat any problems that we had fast.

DEPENDABLE TO FULFILL OBLIGATIONS

I am an extremely organized individual. I pride myself on being able to appropriately plan and meet all deadlines and competing needs. Through use of my planner and time management, I proactively map out my commitments and ensure I have time to complete any necessary tasks beforehand to fulfill my obligations.

LEAD SMALL AND LARGE GROUPS

As President of my Chapter, members frequently turn to me when a question arises. I always make it clear to our members, and anyone interested in FCCLA, that I am happy to answer any questions they may have - and commit that if I do not have the answer I will find out and get back to them. Due to my success in STAR events, I have also adopted the role of helping members choose their STAR events and assisting them in reviewing and understanding the rubric. This allows me to work with all of the members as a group and help them understand the requirements of these events, but also individually for any questions or concerns they may have pertaining to their event. My involvement in athletics, other school clubs beyond, as well as the Miss America organization, also allow me opportunities to work with others through leadership and collaboration to achieve goals.

2

THE APPLICANT IS CURRENTLY WORKING TOWARD THE COMPLETION OF ____ POWER OF ONE UNIT(S).

1

BRIEFLY DESCRIBE ONE POWER OF ONE PROJECT COMPLETED OR CURRENTLY BEING WORKED TOWARD.

I am working towards the power of one project titled A Better You. I am working on bettering my leadership skills by focusing on how I react in tough/different situations. I have realized when evaluating myself that I do not handle change/conflict well. This is why I chose to do this power of one project. I have asked my teachers to change things up for me, by giving me different work than I was expecting, changing due dates last minute, and other things. By having teachers do this for me it is helping me to encounter change and help deal with it better.

Activities and Honors

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I ran for an officer position within my chapter, and received the title STAR Event Director.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I ran for an officer position within my region (6), and received the position Regional Secretary.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

In the school year 2022-2023 I went to state for my STAR event (Interior Design). I unfortunately did not advance to nationals, but I did get to go to nationals on account of being a Regional officer. State and Nationals are a great experience and I loved meeting all kinds of new people.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I have taken in 4 semesters of FCS at my school. I am dedicated to working hard to learn everything there is to know about the FCS community. I want to have a career in a FCS related field, so taking all of the FCS courses I can will benefit me.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

In my school, I am apart of Student Council, National Honors Society, our Future Christian Athletes group, and of course FCCLA. Outside of school I work in our schools IT department, and I am apart of our church council.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

When working in group activities in class and in extra curriculums I take an active leader role. I do my best to help determine who would be most effective in varying positions so everyone is functioning to their full potential.

DEPENDABLE TO FULFILL OBLIGATIONS

I always have completed my assignments before or by the due date when given work at school. I have been working over the summer in my schools technology department and fulfill the required work I am assigned at the beginning of each week by the end of the week.

LEAD SMALL AND LARGE GROUPS

I work great in small and larger groups within work and school. I help to delegate tasks to make sure the tasks get

done on time, I work efficently and dont wast time, and I work to create relationships with the people I am working with. I think all of these are important things to do when working in groups to ensure that things go as smoothly as possible.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I joined FCCLA during my freshman year of 2021. I help out with everything that needs to be done and go to every event. I enjoy using my time to help with FCCLA related events.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I have never run for a regional officer position but I have been to our regional meeting since I've joined the club.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

I have never been to state or ran for a state officer but I look forward to running and hopefully becoming blessed with the ability to be a state officer.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

We offer 3 different FCS classes in my school. The classes are Child Development 1 and 2 and Foods General/International Foods.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I am in 7 different clubs in my school and I am active in every single one. Whenever we have something that needs to be done I am always more than willing to do so. I also volunteer my time in the community when I have the opportunity.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

To be able to get anything done in life you will have to work well with others. I work well with others during any event we have for FCCLA and even outside of that too.

DEPENDABLE TO FULFILL OBLIGATIONS

If I have any type of obligation to do I will be there to do it and give 110%. I am always more than willing to do something that's needed.

LEAD SMALL AND LARGE GROUPS

I can lead small and large groups by taking control when needed. If our group is out of control I will make sure that I get that back in control whether it is a small group of members or a larger group.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I am in a leadership position for our local chapter. I have helped with a Safe Driving Campaign, hosted by the FCCLA chapter at our school. I attended our regional meeting. I was a member of our Lifesmarts team in eighth and tenth grade.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I served as a voting delegate for our regional elections.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

In eighth grade, our Lifesmarts team made it to the State competition, and I was the Team Captain.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I take interest in extending help to our local communities and assisting families in need. I have contributed to FCS in my school in several ways by being a chapter officer, assisting in planning rallies for our school, and attending different regional meetings.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I am an active member of both National Beta Club and FBLA. I have attended the State Beta convention twice and the National Convention once. At our district competition for FBLA, a friend and I prepared a presentation, which we will be going to the State competition for in April 2024. I frequently help in the nursery and children's church at my family's church. I have assisted in preparing Thanksgiving dinners at my church as well, and these dinners were dispersed to families all over our town.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

In preparation for a safe driving campaign/rally, I worked with my fellow FCCLA chapter officers and members to plan out activities and lectures based on driving safely. Then together we held a successful rally for our high school.

DEPENDABLE TO FULFILL OBLIGATIONS

I have signed up for Lifesmarts teams two different years and with which I followed through and attended all necessary meetings. I also participated in each of the required tests sent to us.

LEAD SMALL AND LARGE GROUPS

As team captain of our Lifesmarts team in eighth grade, I led a small group of four other people during different tests.

I love being involved with our school activities in FCCLA like foods class and attending all of the FCS meetings.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

FFA, FBLA, FCA, SADD, highschool swm, highschool golf.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

I have learned to work effectively with others through FCCLA by taking in other students and officers input, putting our ideas together, and making the plan work. For example, planning for our Region 9 chapter meeting. Our officer team listened to each other and made our meeting run smoothly and effectively. I learned to listen to my peers and this helped me plan a successful meeting.

DEPENDABLE TO FULFILL OBLIGATIONS

I am always doing what I am asked to do by my advisor as soon as she asks me. I have learned that this makes me dependable and always prepared. I also always answer emails and do the tasks assigned to me as a state officer, like planning for our big state meeting and preparing for STAR Events.

LEAD SMALL AND LARGE GROUPS

I love to lead groups, especially volunteer groups. I like to plan things and take charge of the situation when I need

to. When planning an event for my local church, I took charge when they needed extra help in the soup kitchen.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I have previously held the position of Vice President and hold the current position of President within my FCCLA Chapter. Through my chapter, I have completed over 150 volunteer hours by participating in opportunities such as volunteering at a local cat shelter, district Elementary Schools, The Salvation Army, and sports tournaments. For 2.5 years I've taken part in baking cookies for our chapter fundraisers weekly. During my involvement I socialize and connect with other members of our chapter and help guide them, give advice, and create new friendships.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

Within Region 10 I've held the position of Treasurer and currently hold the position of State Officer. I have also served as chair of Region 10 2022-2023 T-Shirt Committee.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

I currently hold the position of State Officer for Region 10 as the Vice President of Community Service. I have attended 2 Missouri Fall Leadership Conferences, and 2 Missouri State Leadership Conferences. At the 2023 FLC I presented a workshop teaching members the steps they can take to get more involved within their community, and how to make it shine bright! I've also attended the 2023 National Fall Leadership Conference, and the 2023 National Leadership Conference in Denver, CO. At the Conference in Denver I got the opportunity to represent Missouri as a voting delegate, where I observed the election process of national candidates.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I discovered FCS in 8th grade when I took my first FACS class. Since then I've found interest in all things FCS related. I eventually discovered FCCLA my Freshman year during my Intro to Foods class. I decided to join to see what it was all about, but had no idea it would take me this far in my leadership journey. I loved the concepts such as food science, nutrition and wellness, consumer issues, and human development, that are incorporated into FCS courses. FCCLA opened my eyes to an opportunity that would expand my knowledge in these areas, as well as build leadership skills.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I help contribute to my school and community through other extracurricular activities. Along with FCCLA I put effort into multiple clubs and organizations that provide opportunities to help make an impact on the lives of others. I hold leadership positions in 3 other clubs at my High School and membership in 5 as well. In these organizations I take part in community activities such as visiting elementary schools and volunteering to help run a community

blood drive!

Situational Experience

WORK EFFECTIVELY WITH OTHERS

During service projects, events, and group opportunities offered through my chapter, I get the chance to work effectively with other members. Together we accomplish tasks and use problem solving skills to find solutions and methods that work for everyone.

DEPENDABLE TO FULFILL OBLIGATIONS

I am present at every Chapter, Regional, and State meeting unless conflicts out of my control occur. I do my part in assignments and complete them thoroughly with effort. For example, I submit weekly assignments on time for Missouri State FCCLA. I also serve my duties as Chapter President by running meetings, writing meeting agendas, and communicating with members. I show commitment to all leadership positions and will continue to do so.

LEAD SMALL AND LARGE GROUPS

A great example of me leading small groups of people would be my FCCLA Chapter Meetings. I stand at the front of the room and inform all members on upcoming events, dates, deadlines, and any basic important information. An example of me leading a large group would be from the 2023 FLC where I presented a workshop to every member throughout 4 sessions, with about 200 students per session. I spoke on how to get more involved within your community and provided an interactive activity for them to do while following along in the presentation. The workshop allowed members to learn and express ideas. Those ideas go back to their chapters where they can share it with other members.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

Currently I serve as my chapter president. I have a hand out every meeting and come with an agenda for every member. I have completed a Star Event every year for my chapter and have moved on to Regionals and Nationals. I have also been to all of the events my club has participated in, unless I was sick or there was an emergency. I would like to mention that I go above and beyond for my club. I do what is asked of me for every position that I hold and do more than what is asked of me. Being a chapter officer has taught me that when I need to fulfill an obligation it must be done. If I do not do what is asked of me my chapter can be affected. We also do an enormous amount of community service work, which I help with. I also help my chapter advisor with regional Star Event activities.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I serve as the state delegate of the Region 11 FCCLA Council. I am hoping to hold this officer position again next year. During my time on the council I have led workshops, participated in community service, and built relationships with my peers.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

This year for the Fall Leadership Conference I was able to lead a workshop with my peer Mallory. As officers on the state council we were able to inform members about the state program and the National programs. I also get to help plan and set up all of the state FCCLA events. During National conferences this year I went to different workshops. In the workshops they had provided, I had to do activities that involved working and talking with people I had never met before. This was a great experience. I was able to network which allowed me to get ideas from other states that can help Missouri. I also got to go to workshops that will help me be a better and more informed officer for my state council.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I have taken an FCS class every year since the 7th grade. The FCS classes that I have taken are what drew me into FCCLA. I can have fun and work on my leadership skills in FCCLA while also being able to incorporate FCCLA with my FCS class. I have also thought about becoming a Teacher and teaching FCS and being involved in FCS organizations. I would say I have helped encourage my peers to take an FCS class. I also have talked to other students about FCS.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I serve as vice president for FFA and National Honors Society. I am involved in volleyball and cheerleading. I also serve as vice president for my county 4-H council and my local 4-H club. My main focus is being a state officer, regional officer, and chapter officer in FCCLA.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

I went to different workshops during this year's National Fall Leadership Conference. In the workshops they had provided, I had to do activities that involved working with people I had never met before. At NFLC one of my groups got second in our workshop activity. During some of the other workshops I had to work effectively with my other state officers. I would say we worked very well together. Another example would be when my club volunteers for the food drive. Everyone has to work together to get food bags ready in a certain amount of time. This takes communication and hard work. If no one is communicating the bags might turn out wrong, or we might run out of time. I have also learned that if my chapter doesn't work together and talk during a meeting it is hard to accomplish anything that needs to be completed.

DEPENDABLE TO FULFILL OBLIGATIONS

I serve as my chapters 2023-2024 president. During this time I have taken responsibility, showed up to every meeting, and have completed more than is asked of me. All of these are examples of how I am dependable to fulfill obligations. I also serve as the Vice President of National Programs for the Missouri State Council. During my time as an officer I have been to every meeting, attended almost all of the national events, and have helped plan the State Fall Leadership Conference. I am also involved in many other clubs and organizations. I complete what is asked of me in a timely manner and well done.

LEAD SMALL AND LARGE GROUPS

My club has discussions about past trips and activities we would like to do in the future. I help lead those discussions, and if it starts to go off topic I help guide my club back into the conversation. I also have conversations with the middle school students and help them understand what FCCLA can help them achieve and accomplish. I also presented my first two workshops this year. One was presented to groups of around 15 people and one was presented to groups of around 100 people. I was able to keep all of the groups attention and I was even able to play an ice breaker game with them. I was able to let my workshop groups have fun while also learning.

One Power of One that I'm describing is the second Power of One called Family Ties. For my project I did it on potty training my dog Herc over a 4 week time period. I started by having him use a puppy pad near our door and every time he used it I gave him a treat. He caught on after around a week and then I would watch for him to use the bathroom and every time he started walking to the puppy pad I had him scratch the door and then let him outside. After I let him back in I would give him a treat. Eventually he figured it out and started scratching and waiting for me to let him out every time.

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

In my chapter I am currently holding the President position. I take charge in making sure the other officers are getting their jobs done and I also prepare the agenda in place of the secretary for each meeting. I participate in many of our chapter's committees and community service projects. I have done a STAR Event and currently working on another one for this year. I was able to take my STAR Event to Nationals this past year and then coached some of the other members through getting started on theirs for this year. I was the Secretary for my chapter last year and took this position without prior knowledge of what FCCLA was as we were a new chapter. I was excited to be a leader and encourage others to join the organization and be active with me.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I participated at the regional level for my STAR Event last year and placed gold. I have attended the regional meetings and was able to learn more about what was going on in our region and take notes of any deadlines and new themes for the upcoming events.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

I participated at the state and national level in my STAR Event and have attended Fall Leadership Conference to grow in my leadership skills and learn more about myself and my officer team while we were there.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

My interest in FCS is mostly based around child development because I have always had a place in my heart for children. Learning about and working with children has always interested me and has brought me joy many times. Taking the child development class at my school is something I had been looking forward too since I learned about the class in 6th grade. This year I was unable to take an FCS class due to the decision to take more college classes this year. The way I have contributed to FCS is taking facts classes and telling people about the class to encourage them to join the classes. I have also been active in the community to help FCCLA get a standing in the community and have helped with the outreach within the community. I have also been an officer for FCCLA for both of the years that we have been an affiliated chapter.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I am the Secretary of my chapters FFA Chapter which is a very active organization in my community. I take action in my class my running for a class officer which I became the secretary for the class of 2025. I am an active member in the National Honor Society at my school by participating in community service projects and activities. I

also participate in the student run Future Christian Athletes organization at my school and attend many of the meeting while giving my prospective of the topics. I am also the captain for the cheer leading squad and have been able to solve many problems within the team to keep a calm and drama free team.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

I show positive communication and an effective work style with others through the many clubs and organizations I participate in. With FFA I am in charge of communicating with other secretaries around my area and the community about the many activities that we do all year round. This year I was in charge of setting up the adopt a family committee members and working with families to find a family to "adopt." After I found a family I had to work closely with the other members of the committee to delegate specific jobs for everyone to be able to complete. We ended up splitting into groups to go shopping for each member of the family and come up with the best gifts for each person. After we all finished coming up with the best gifts we picked out a day and all joined up to go shopping together. The project went really well and we have the perfect gifts for each member of the family to get things that they need and an item that they would like.

DEPENDABLE TO FULFILL OBLIGATIONS

I am dependable to fulfill obligations because I am an officer in so many different clubs and organizations. With that being said I show responsibility and punctuality within those clubs to get any required tasks done. I also volunteer to do many different things for people when needed to help out in any way that I can. I have been described as reliable and mature since a young age and continue to uphold those remarks. I encourage others to be more responsible and take charge in more organizations so that they will learn more leadership and gain respect for those that they have seen do these tasks before. I have always been the person to volunteer to do anything and have always been able to get the job done through delegation and constant work.

LEAD SMALL AND LARGE GROUPS

I have led many small groups but my favorite one is a tradition that we have done for years at my school called pup squad. I was in charge of first grade for the last three years teaching them many cheers and a dance for them to portray to their parents at the Friday night football game. I was able to keep their attention long enough to learn the cheers while still making it a fun experience for everyone. I have led a large group through FCCLA by being the president of our chapter. I am in charge of running the meetings and have been able to keep all thirty-two members of our chapter on task for the duration of the meeting. I make sure everyone has a say in what we do and that every opinion is heard.

Activities and Honors

CHAPTER FCCLA INVOLVEMENT & LEADERSHIP

I am a chapter officer. I've been in FCCLA in 10 and 11 grade. I go to a lot of service projects that we do. I help out with our student body program. I have completed power of one.

REGIONAL FCCLA INVOLVEMENT & LEADERSHIP

I've been to a Region 13 meeting. I am running to be a regional officer and president.

STATE AND NATIONAL FCCLA INVOLVEMENT & LEADERSHIP

I went to the State Spring Conference last year for Power of One. I also went to the State Fall Conference this year.

BRIEFLY DESCRIBE YOUR INTEREST IN AND CONTRIBUTIONS TO FCS IN YOUR SCHOOL.

I love my community and I want to give back to them. FCCLA has helped me get back to my community. I am a chapter officer at my school, so I help plan our events and service projects.

OTHER ACTIVITIES AND LEADERSHIP IN SCHOOL AND COMMUNITY

I work at a local grocery shop in our community. I am also in NHS, Book Club, softball, track, academic team, and CYO, Yearbook Editor.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

In our officer meetings sometimes we have different ideas. I am the person who helps us work through them instead of just fighting about them.

DEPENDABLE TO FULFILL OBLIGATIONS

One of my obligations as an officer is to write reports of the things we do. I have already written one and I am working on another.

LEAD SMALL AND LARGE GROUPS

I helped out with a star event where I had to teach little kids how to fold clothes. There were three little kids per group. At the Fall Conference, we had a debate in one of our sessions. I took charge and led that group and spoke on our behalf. It was a group of about 15.

Situational Experience

WORK EFFECTIVELY WITH OTHERS

During my first two years of FCCLA STAR events, I worked with a partner. We worked together to make sure our project was the best it could be and completed on time. During my first year, my partner and I competed in the Focus on Children STAR event. Together we came up with a google slide show to teach preschoolers their ABC's. Because of this, I had to work with a class of preschoolers to make sure that they could understand what we were telling them. Each time that I am a chapter officer I have to work closely with my other officers and advisors to make sure that we get done what we need to and complete our given tasks. For example, as a secretary I was in charge of taking notes during chapter meetings and then the following meeting I would remind all of the members of upcoming deadlines and dates. I had to work with my advisor to make sure I knew of those dates. My chapter officers and I also refreshed each other of these dates before our meeting. As the chapter president I worked closely with my advisors and fellow members to make sure everything was planned out the way it needed to be.

DEPENDABLE TO FULFILL OBLIGATIONS

While I have been a FCCLA chapter officer, I have had many opportunities to fulfill obligations. As a secretary, I was responsible for taking notes and sharing with my chapter. As a president I am responsible for planning and helping my fellow officers with their duties. I make sure to inform the members of upcoming events and I lead chapter meetings. I meet with my advisor before a meeting to discuss what we need to talk about and then I make sure to relay all of the information at the following meeting. Whenever I do STAR events, it is my job to make sure that I get my STAR event done on time and that I make it the best that I can.

LEAD SMALL AND LARGE GROUPS

Since I have been an officer multiple times, I have lead different groups of different people. I have helped be in charge of service projects and make sure that people know what to do. I try to always be an example to others, especially for everyone who is new to FCCLA.
