HEY HEY, MISSOURI FCCLA!

I am beyond thrilled to welcome you to our newsletter! My name is Bella Baker, and I am honored to serve as your 2025–2026 Missouri FCCLA State President. I am from Atlanta, Missouri, a small town in Region 3. FCCLA has completely transformed my life. From competing in STAR events at the national level to participating in chapter activities, I have grown into the leader I am today because of this organization. Now, I am ready to give back to the organization that has given me so much.

First off, I want to send a huge thank you to everyone who helped make this year's State Leadership Conference so memorable. From inspiring keynote speakers to unforgettable moments with our chapters, SLC was filled with energy, passion, and purpose. It was also where we elected an incredible new team of state officers, and I can confidently say that they truly are talented!

Each officer brings a unique perspective, but we all share one goal: to serve Missouri FCCLA with everything we have. We are committed and motivated to make this year meaningful for every member, adviser, and chapter across the state. You will be hearing more from us soon, and we cannot wait to connect with you.

Our State Executive Council is preparing for our Spring Planning Meeting, where we will begin building the foundation for the year ahead and officially select our new theme; stay tuned!

Next, we are headed to Nationals in Orlando. Whether you are competing in STAR events, attending, or supporting from home, know that Missouri FCCLA is ready to shine. We look forward to making memories and representing our state with pride!

As the school year wraps up, I would like to share a word of encouragement to our amazing advisers. Thank you for your tireless dedication. And lastly, to our members, you are almost there! Finish strong, take care of yourselves, and remember that the best is yet to come.

We are proud of each and every one of you and honored to serve this incredible organization. Let us keep growing, leading, and making Missouri FCCLA stronger than ever.

With gratitude,

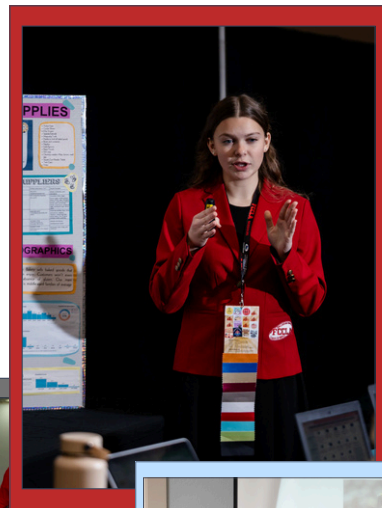

Bella Baker

2025 State Leadership Conference In Review

From March 16–18, Missouri FCCLA members took center stage at Margaritaville Lake Resort for the 2025 State Leadership Conference, themed “The Greatest Show.” With 1,283 students representing over 9,263 members from across the state, this year’s event was a true celebration of leadership, service, and show-stopping talent. Over 856 competitors participated in 30+ STAR Events, and 132 members debuted in the brand-new Show Me Skills competitions, including the \$20 Clothing Challenge, Cake Decorating, and Pin It!

Throughout the conference, members attended dynamic workshops, explored college and career exhibits, and elected the 2025–2026 State Executive Council. One of the most heartfelt moments came during the Miracle Minute, where members raised funds in support of former State Officer Jimmy as he courageously battles cancer. It was a powerful reminder that the heart of FCCLA beats strongest when we come together. From the opening session to the final curtain call, Missouri FCCLA truly delivered “The Greatest Show.”

2025-2026

State Executive Council

As the curtain closed on “The Greatest Show,” we paused to honor the incredible leadership of our 2024–2025 Missouri FCCLA State Executive Council. Their dedication, creativity, and heart made this year unforgettable — from guiding members through powerful conferences to representing Missouri FCCLA with pride nationwide. We thank them for their service and the legacy they leave behind.

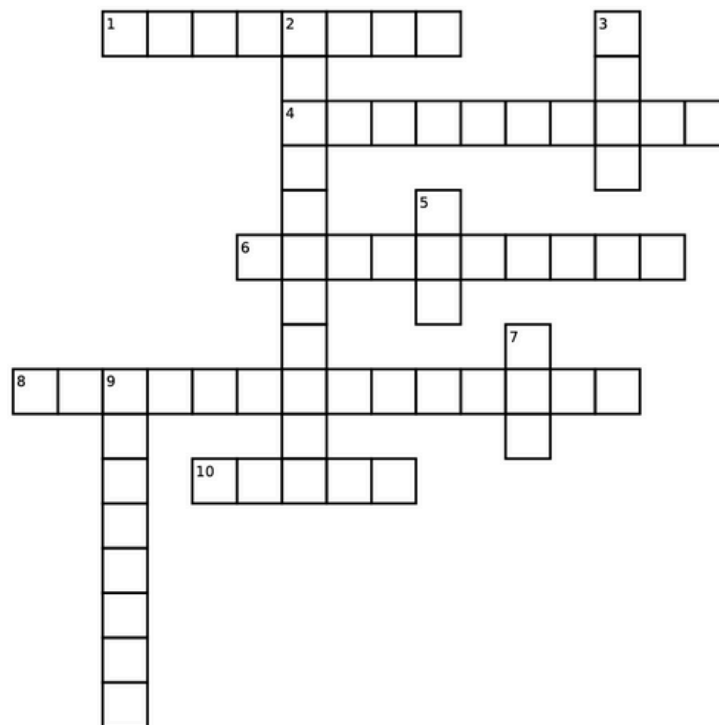

Now, it's time to raise the curtain on the 2025–2026 State Executive Council — a dynamic group of student leaders ready to continue that legacy and lead Missouri FCCLA into a bold new chapter. Representing a wide range of regions and backgrounds, this year's team includes Bella, Gavin, Mya, Olivia, Faith, Courtlynn, Reese, Pablo, Lydia, Oren, and Molly. We can't wait to see the impact they'll make in the year ahead. Be sure to follow Missouri FCCLA on social media for council updates, officer spotlights, and ways to connect throughout the year!
